ABERGAVENNY

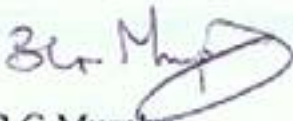

Dear Rob

A huge thank-you from all at Archbishop Rowan Williams for the great enthusiasm you imparted to our children (and staff) on your visit to us earlier this week. The work you carry out and the encouragement you give us with regard to recycling strategies is infectious. Our commitment is to a "greener planet" and I can vouch that our eco-warriors will be very active in exploring the way they contribute towards this.

Once again a huge thanks for the support you continue to give us.

Kind Regards

Yours sincerely

  
B G Murphy  
Headteacher
