

Hard-working volunteers put their feet up

By Sam Muftuoglu

ANIMAL lovers who work tirelessly for sick and injured animals have themselves been the focus of a charity donation.

Volunteers at Llanfrechfa animal sanctuary All Creatures Great and Small were helped out by an Abergavenny Furniture Recycling Project.

Homemakers donated a sofa to help furnish the staff room at All Creatures Great and Small, giving volunteers the chance to take a well-earned rest.

Rob Davies of Homemakers said: "We were approached by a volunteer of All Creatures Great and Small who said they were need of an old sofa for their rest room. They were really desperate and were willing to take one we were going to throw away.

"We were only too willing to help such a worthwhile cause and donated and delivered a sofa that should last them years rather than one that is ready for the tip!"

The animal sanctuary looks after all sorts of animals, with all sorts of needs and it's vital to look after the volunteers so that they can look after the animals.

The sanctuary is on the look out for more volunteers so if you have
