

Homemakers help Tewkesbury flood victims

A VAN full of furniture has been sent to flood victims in Tewkesbury thanks to an Abergavenny community recycling scheme.

Rob Davies, from Homemakers said, "As a registered charity we were only too happy to help those in need.

"One of the aims of project is to help people in need and when the floods happened we immediately contacted our fellow furniture recycling project in Gloucester to offer our support."

Patrick Heslip of the Flood Furniture Relief Project run by The furniture Recycling project in Gloucester said, "We were extremely grateful to Homemakers for the donation and making the effort to travel to Tewkesbury. The town is grateful for the support and the furniture shortage we experienced is now very much under control."

Homemakers is open to the general public Monday to Friday from 9am to 5pm at St Michael's base.

There is a large selection of furniture and other household goods available for sale to the general public.

If you are unable to regularly get into Homemakers you can now follow the daily collection blog that will inform you of the incoming stock via the website at www.hmrecycling.co.uk or contact 01873 857618.
